Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. SAP Certified Integration Associate - SAP Cloud for Customer These questions are similar to the ones asked in the actual Test. How should we know? We know, because although we have been working as an SAP Cloud development/functional consultant for several years, we have ourselves recently certified with the latest version of the Cloud Associate Consultant Certification test. Before you start here are some Key features of the SAP Certified Integration Associate - SAP Cloud for Customer Exam. The "SAP Certified Integration Associate - SAP Cloud for Customer" certification exam verifies that the candidate possesses fundamental knowledge to be able to integrate SAP Cloud for Customer with SAP ERP or SAP CRM using SAP HANA Cloud Integration. The exam is Computer based and you have 180 minutes to answer 80 Questions. The Questions are (mostly) multiple choice type and there is NO penalty for an incorrect answer. Some of the Questions have more than one correct answer. You must get ALL the options correct for you to be awarded points. For questions with a single answer, the answers will have a button next to them. You will be able to select only one button. For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you have little or no experience, you should get yourself certified, get some project experience, and then...
